Dear Dancer and Parents:

Thank you for choosing the Rangerette Summer Dance Intensive at Kilgore College! We are excited to meet you and cannot wait to share the Rangerette experience!

While you are in our care, we are providing lunch on campus on July 2nd and 3rd. All other meals including lunch on the 4th will be ON YOUR OWN. Options are available for those with special diets (vegan, or ANY food allergies). Please specify dietary needs on your registration form.

We request that parents, friends, and students agree not to have telephone calls or texts during class time.

**Participants ARE NOT permitted to leave campus during instructional time during the intensive.** College Faculty and Staff are present at all times in learning sessions as well as a private security guard. Please note that if rules are not adhered to, participants will be sent home prior to the end of the intensive.

### **Items to bring to camp for learning sessions:**

T-shirt and athletic/dance shorts or dance apparel, aerobic type tennis shoes, jazz and/or lyrical shoes/paws, and spending money. Please bring inhalers and any braces/athletic tape needed to ALL learning sessions. MASKS are mandatory and we recommend you bring personal thermometers, hand sanitizers and any other products you feel are appropriate to ensure your health and safety on our campus.
