Thank you for choosing the Rangerette Summer Dance Camp at Kilgore College! We are excited to meet you and cannot wait to share the Rangerette experience!

Check in will be at **Masters Gym** located at 1100 Broadway Boulevard on the Kilgore College campus between 3:00 – 5:00 pm on the first day of your selected session. **PLEASE DO NOT arrive prior to 3:00 pm for registration and check-in.**

When you check in that afternoon, please bring the following:

**A copy of your insurance card or declaration of self-pay (we will not be able to make copies on site)**

**Completed liability and medical consent forms.**

**Written instructions on medical issues, allergies or medications. ALL medications need to be in original prescription bottles with patient's name.**

You will be given your dorm room assignment. **Your dorm room assignment IS NOT to be changed.** From Masters Gym, go to the dorm floor assigned and check in with your chaperone, find your room, and unpack.

We request that parents, friends, and students agree not to have telephone calls or texts during class time. In addition, please do not send flowers, gifts or mail during camp. **Participants ARE NOT permitted to leave campus during their stay at Kilgore College and no guests are allowed.** Adult chaperones are present at all times in learning sessions and in the dorm as well as a private security guard in the evening. Please note that if rules are not adhered to, participants will be sent home prior to the end of camp.

#### **Items to bring to camp for learning sessions:**

T-shirt and athletic/dance shorts or dance apparel, aerobic type tennis shoes, jazz and/or lyrical shoes/paws, and spending money. For final demonstration, you will need any black dance attire and appropriate shoes for lyrical, jazz, etc. Please bring inhalers and any braces/athletic tape needed to ALL learning sessions.

#### **Items needed for your dorm room:**

Each room will have two XL twin beds so you need TWIN XL sheets and comforter/blanket or sleeping bag. You will need a pillow, towels, soap, and personal toiletries, etc. Please bring shoes that you can wear while taking a shower and sweatshirt/sweatpants if dorm is too cold. We recommend you NOT bring valuables, jewelry, etc. Keep your money with you at all times as the individual dorm rooms are not allowed to be locked. You may bring snacks and bottled water for consumption in the dorm and in between learning sessions. We will have snacks available for purchase in the evening.

While you are in our care, we are providing a well-balanced and nutritional diet. Breakfast, lunch and dinner will be served in our campus cafeteria and options are available for those with special diets (vegan, or ANY food allergies).
